NOTE BY THE A.R.P. CONTROLLER,
BANGALORE CITY.

A. R. P.

COLLABORATION BETWEEN THE CIVIL & MILITARY STATION AND CITY.

There is already very close collaboration between the City and the C & M Station in A.R.P. matters as follows:-

1) There is an A.R.P. Advisory Committee of which the Inspector General of Police and the A.R.P. Controller, Bangalore, are members along with the A.R.P. Controller, C & M Station, Commissioner of Police, etc. All matters of importance and questions of policy are discussed and decided by this Committee for both the City and C & M Station.

2) The A.R.P. Controllers, C & M Station and City are mutually on the respective Advisory & Propaganda Committees to maintain close liaison.

3) Both the A.R.P. Controllers are in constant and almost daily telephonic communication re: details of A.R.P. measures.

4) Practices are being held jointly.

5) For purposes of training the City A.R.P. is affording all facilities to the C & M Station.

As there is very close collaboration, there is nothing more to be done excepting perhaps about one matter i.e., issue of similar notifications and press-notes in both the areas. Regarding this, it may be arranged that a copy of any notification, order or press note proposed to be issued in either area be sent to the other before issue to secure uniformity of procedure and practice.
